Executive Summary

Event Vision:

Release Your Shutter – Season V is a photography exhibition by DIUPS, celebrating creativity, storytelling, and the unique perspectives of our members and alumni through a curated collection of photographs.

Strategic Goals:

Release Your Shutter – Season V is an internal photography exhibition organized by the Daffodil International University Photographic Society (DIUPS), bringing together the creative work of our running members and alumni. The exhibition is a celebration of photography, creativity, storytelling, and the unique perspectives of our members.

Through this exhibition, participants get the opportunity to showcase their photographs, connect with fellow photographers, receive recognition for their work, and experience their photographs being presented in a professionally organized gallery environment.

The exhibition features photographs captured using both mobile phones and cameras, allowing photographers to express their creativity regardless of their choice of equipment. Alongside the exhibition, the event also includes an inauguration ceremony, formal sessions, live judging, winner announcements, and a prize-giving ceremony.

? Objectives

To provide DIUPS members and alumni with a platform to showcase their photography.
To encourage creativity, experimentation, and visual storytelling.

presentation.

To identify and encourage emerging photographic talent within the DIUPS community.

To create a memorable archive of the creative work produced by our members

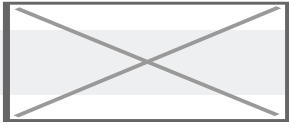

? What Attendees Can Expect

Visitors can expect a curated collection of photographs covering different perspectives, subjects, moods, and styles from talented DIUPS members and alumni.

Attendees can:

- ? Explore the exhibited photographs and discover different photographic perspectives.
- ? Experience the creativity and storytelling of DIUPS photographers.
- ? Connect with fellow photography enthusiasts, members, and alumni.
- ? Witness the recognition of outstanding photographic works.
- ? Attend the formal program and inauguration activities.
- ???? Experience the live judging and winner announcement.
- ? Capture and share moments from the exhibition.

Release Your Shutter – Season V is more than just an exhibition; it is a celebration of the people, creativity, passion, and memories that make the DIUPS family special.

Industry Need

29%

Skill gap in modern workforce

42%

Market demand for expertise

15%

Untapped potential growth

"We have identified a critical disconnect between academic learning and industry demands. This event serves as the bridge for sustainable professional development."

Our Approach

Through strategic networking and knowledge sharing, we create a high-impact ecosystem for growth.

1 Insight

Direct access to industry thought leaders and practitioners.

2 Networking

Establishing long-term corporate and student partnerships.

3 Growth

Measuring impact through career placements and brand equity.

Impact Metrics

A snapshot of the anticipated scale and reach for Release Your Shutter - Season V (2026). These numbers represent our commitment to domestic and global tech excellence.
