# DIU Mathematics Olympiad-Summer 2026

ADVANCING ANALYTICAL RIGOR, CULTIVATING MATHEMATICAL  
INGENUITY!

Register for  
**DIU Mathematics Olympiad** **Summer 2026**

\* Exclusively for DIU 1st year Students only!

Registration Deadline : 25<sup>th</sup> July 2026

Registration Fee Is Only  
**210 tk**

Scan the QR Code for Registration and know more about this. Visit our website [diums.daffodilvarsity.site](http://diums.daffodilvarsity.site)

## Executive Summary

---

### Event Vision:

DIU Mathematics Olympiad – Summer 2026, a competitive event designed to develop students mathematical reasoning, analytical skills, and creative problem-solving abilities through algebra, calculus, geometry, and trigonometry.

### Strategic Goals:

The DIU Mathematics Olympiad – Summer 2026 is a mathematics competition designed to develop analytical thinking, mathematical reasoning, and creative problem-solving skills among students.

The Olympiad covers three major areas: Algebra, Calculus, and Geometry & Trigonometry. The preliminary round consists of 25 MCQ questions, while selected participants compete in a 50-mark written final round.

The event includes a preliminary round, final round, and award-giving ceremony. Participants can demonstrate their mathematical abilities in a competitive academic environment and gain experience in solving challenging mathematical problems.

Date: July 30, 2026

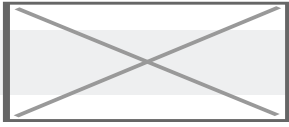

Preliminary Round: 08:30 AM – 10:00 AM

Final Round: 11:30 AM – 12:30 PM

Award Giving Ceremony: 02:30 PM – 04:00 PM

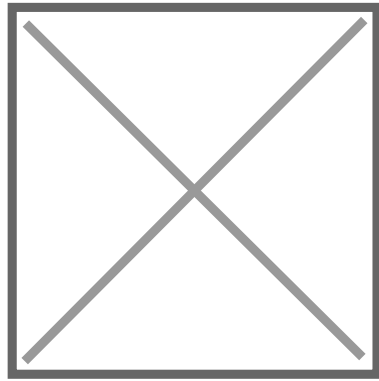

Venue: International Conference Hall (ICH), 3rd Floor, Knowledge Tower, Daffodil Smart City.

The total prize pool is Tk. 50,000, with trophies, books, certificates, and crests awarded to the

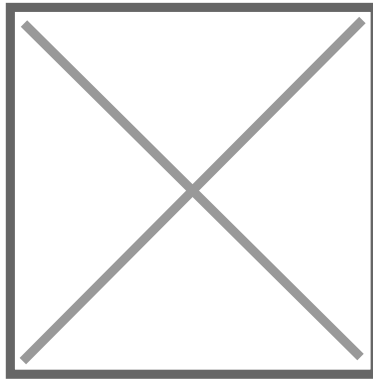

## Industry Need

---

29%

Skill gap in modern workforce

42%

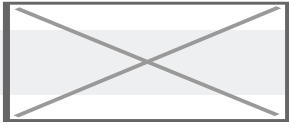

Market demand for expertise

15%

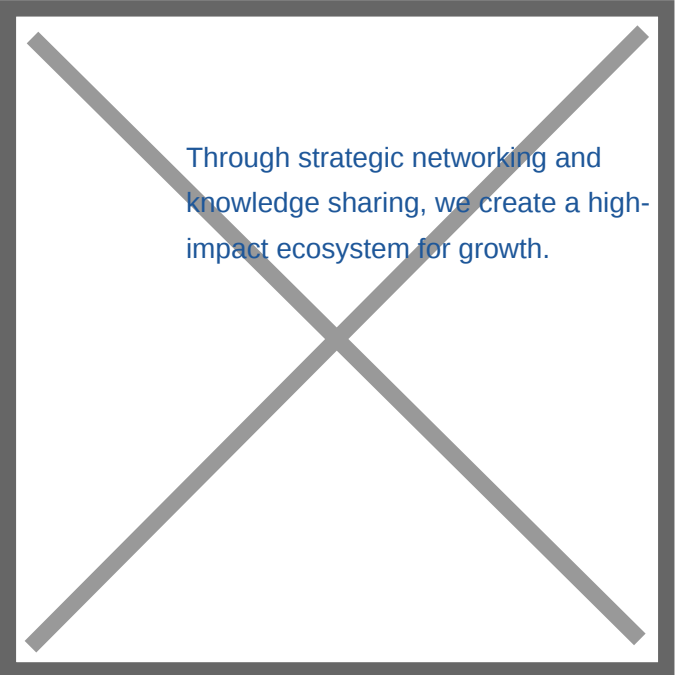

Untapped potential growth

*"We have identified a critical disconnect between academic learning and industry demands. This event serves as the bridge for sustainable professional development."*

## Our Approach

---

Through strategic networking and knowledge sharing, we create a high-impact ecosystem for growth.

### 1 Insight

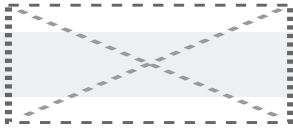

Direct access to industry thought leaders and practitioners.

### 2 Networking

Establishing long-term corporate and student partnerships.

### 3 Growth

Measuring impact through career placements and brand equity.

## Impact Metrics

A snapshot of the anticipated scale and reach for DIU Mathematics Olympiad- Summer 2026. These numbers represent our commitment to domestic and global tech excellence.

**1,000+**

EXPECTED PARTICIPANTS

**0**

EXPERT SPEAKERS

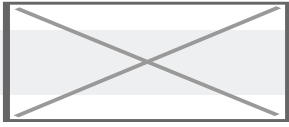

**0**

HANDS-ON WORKSHOPS

**0**

TECHNICAL SESSIONS

*"Our metrics reflect a focus on quality engagement, ensuring every attendee and partner gains significant value through our structured tech ecosystem."*

## Audience Persona

Understanding our demographic reach ensures targeted impact for our sponsors and partners.

**60%**

### Tech Enthusiasts

Professional developers and system architects.

**25%**

### Industry Leaders

Decision makers and tech entrepreneurs.

## Digital Ecosystem & Media Reach

**Facebook**

**2.8M+**

Followers on  
Official Page

**YouTube**

**201K+**

Subscribers  
& Views

**Campus TV**

& Communities

*\*Featuring explicit extensive coverage across Daffodil International University's massive digital network.*

## Elite Venue

### Key Specifications

- Capacity: 2000+ Seating
- Area: 5000 Sq. Ft.
- AV: 4K Laser Projection
- Network: 1Gbps Fiber

## World-Class Amenities

### Sound System

Bose immersive high-fidelity audio delivery.

### Climate Control

Intelligent HVAC for peak attendee comfort.

### Broadcasting

5G-ready studio for global live streaming.

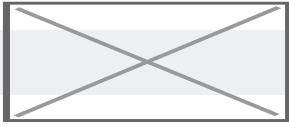

*"The DIU Main Auditorium is a flagship venue hosting global summits and elite cultural celebrations in the heart of Daffodil Smart City."*

## Event Timeline

---

Our carefully curated schedule designed to maximize learning, interaction, and professional networking.

## Guest Highlight

---

**100%**

Confirmation from top industry leaders

**25+**

Subject matter expert sessions

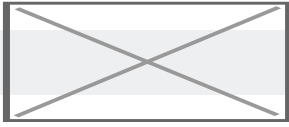

## Sponsorship Ecosystem

We are proud to be supported by leading organizations committed to technological innovation and student excellence.

Partners will be announced soon.

### Join This Elite Circle

By partnering with DIU Mathematics Olympiad- Summer 2026, you gain direct access to top-tier talent and position your brand at the forefront of the industry.

## Partnership Tiers

### Gold Partner

**0 Tk**

#### HEADLINE SPONSORSHIP

- Keynote Speaking Slot
- Large Exhibition Booth
- Student CV Database Access
- Premium Logo Placement
- VIP Networking Access

### Silver Partner

**0 Tk**

#### STRATEGIC VISIBILITY

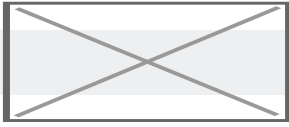

- Workshop Hosting Rights
- Standard Exhibition Booth
- Logo on Website & Banners
- Social Media Mention
- 5 Delegate Passes

### Bronze Partner

**0 Tk**

#### ESSENTIAL EXPOSURE

- Roll-up Banner Placement
- Shared Mention in Speech
- Logo on Digital Backdrop
- 2 Complimentary Passes
- Program Book Listing

## Organizing Team

---

Our core leadership team dedicated to the successful execution of DIU Mathematics Olympiad-Summer 2026.

## Projections & Connect

### FINANCIAL OVERVIEW

## Expected Event Budget

Transparency is key to our partnership. We have estimated the total cost to deliver a world-class experience effectively.

### Budget Allocation

Projection

Budget breakdown data not available.
